

# Notes on Creating a Histogram

- A histogram is a bar graph that uses intervals on its x-axis.

## Steps to create a histogram.

- ① Create a frequency table for the data set.
- ② Label the horizontal axis and vertical axis.
- ③ Draw the bar for the frequency of each interval.

Ex. 22, 29, 18, 11, 23, 7, 8, 21, 15

Intervals	Tally	Frequency
1-10		2
11-20		3
21-30		4
